Dedicated to Childhood Excellence

Ode to Mothers Everywhere

"For changing their diapers and wiping their noses
For thanking the kids when they brought you dead roses
For sewing their buttons and curing their blues
For kissing their boo-boos and finding their shoes."

- Dena Gorgin

Happy Mother's Day!
Thank you for letting us assist you on this wonderful journey called motherhood. Your hard work does not go unnoticed!

Parents with School Age Children

Please note that Blossom Center provides "educational enrichment" for children in our care. This takes many forms, including but not limited to reading, gardening, and homework assistance. Your child will be offered the opportunity to do any homework they might have, but we cannot make them do it, nor can we guarantee it will be completed by the time you pick them up. Therefore, ALWAYS check with your child to ensure homework has been done and sign any homework logs that need to be signed. Blossom Center staff will not sign any logs on the parent's behalf.

Thank you for the opportunity to serve your family!

Summer Program

We offer a full summer program! Spread the word to any friends or family members looking for summer care. Students currently enrolled in our program do not have to re-enroll, but keep in mind that your tuition will increase as your number of hours increases.

Parental Reminders!

Please make us aware of any changes with your child's potty training.

Bring in a tube of sunscreen & fill out the sunscreen permission slip!

Please tag all of your child's clothing and toys with their name!

Please make sure you are promptly signing your child in & out.

Consider bringing your child in with a pair of sneakers for outdoor play

Bring a light jacket for outdoor play on cool mornings
